

# Boom in refurbbs

ANDY Powell, managing director of Cheltenham's Spacetallors, a national fit-out company, has witnessed increased investment in new facilities, refurbishment and restoration.

In just 12 weeks, Spacetallors has been working to install Esporta's new Tranquillity Spa in Gloucester, the fit-out of the new Holiday Inn in Cheltenham and the refurbishment of the listed Playhouse theatre.

Mr Powell said: "Clients are working to retain their customer base."
