

“In a high quality health club it is essential that a refurbishment does not disrupt our clients. Spacetailors understand our market and always produce a high quality finish working through the night to achieve our programme.”

Pippa Slater, Project Manager, Esporta

Fitness

Spacetailors understand the fitness industry and its requirements intimately. We have great experience of refurbishment, fit out and maintenance in today's high quality fitness environment. Our highly regarded fit out work, together with our responsive maintenance teams are a perfect fit for the demands of this exciting industry.

Boasting clients such as Esporta, Living Well Health Clubs and many independent one-offs, Spacetailors have proved they have the fitness required for this demanding and fast moving marketplace.

Large enough to carry out a multi million pound refurbishment in a matter of weeks and small enough to fulfil a minor alteration, Spacetailors offer the complete contracting service.

We are proud to provide a bespoke solution for each and every one of our clients and will work through the night to deliver on time and avoid disruption to your business. Our record of working with leading architects and clients combined with our highly qualified and expert staff provides a total contracting solution for interiors and exterior facades.
